

Jesus (the gardener) nourishes and tends us as we learn and grow, so that we can all flourish. As a vine, we are one, but all unique and special to Him. We care for each other, as God cares for us.

Friday 21<sup>st</sup> April 2022

Dear Year 2 Parents,

Welcome back to the third and final term in Year 2. Time really is flying and before we know it, your child will be in Key Stage 2! Where does the time go!?!

**Curriculum** - Attached to this letter you will find a copy of this term's curriculum overview detailing what we will be learning in class. This is also available on the school website should you require another copy.

**SAT's** - These have been reinstated for children in Years 2 and 6 and will be completed throughout the month of May. As always, I will try my very best to keep these tests as low key as I possibly can but you may hear the children talking about the 'fun quizzes' we have done in school at this time. These tests are designed to aid my end of year teacher assessments and results will be shared with you in end of year reports.

**Reading** - Our Karate Reading Challenge continues this term so please keep listening to your child read every day. A comment is always lovely to read but I do understand how busy you all are so a quick date and signature is also more than good enough to show your child is reading daily.

**Homework** - This will continue to be sent every Friday. Please ensure your child's homework is completed and returned in the zippy folder every Friday too. Thank you to all of you who have been doing this already. It really does make life easier when we are not having to chase children for homework into the next week.

**P.E.** - This continues to be a priority area in year 2 and I ask that a full, named kit is in school at **all times** please.

**Water Bottles** - As the weather heats up (hopefully) the need for a named water bottle in class increases. Please ensure your child has one and that it is taken home to wash and refill daily.

Thank you for taking the time to read this letter and for your continued support. If you would like any more information about SAT's or have any other queries or concerns, please do not hesitate to get in touch.

Mrs Cross
