22.06.20

Dear Year 3 children and parents,

Another snazzy pack for you! Parents, please manage the work in the pack how you see fit, there is zero pressure on how it gets done or when it gets done. For any children who will be in school part-time, I will be letting you know what activities we will be doing in school each afternoon, so you can plan your work at home accordingly. I have tried to vary the work to make it a little different from the other packs.

I have set some more 2do's on Purple Mash as well as the work below. I have figured out how to look at the ones that have been sent in and left comments on the work. If you have done a 2do don't forget to click the "hand in" button for me to see it.

Maths

Please continue to use the daily lessons on <https://whiterosemaths.com/homelearning/year-3/>. I will continue to send you the worksheets each week to match the lessons.

I have also set some Maths games on Purple Mash.

Literacy

Please use the LPDS literacy lessons. Again, I will send these via email.

I have also set some SPaG games Purple Mash.

Science

Food chains.

I have also set a food chain quiz on Purple Mash.

DT

Designing and making a healthy sandwich. In the pack are the worksheets but I will send some slideshows that I would use in class, via email. Please send me photos of your sandwiches if you make them!

I have set a task on Purple Mash you can use to design your sandwich or use the sheet in the pack.

French

C'est quel animal? (Which animal is this?) Learn and use animal names in French.

RE

Examine Christian rules for living.

Computing

Be an Internet legend! Learn how technology can affect your mood.

Purple Mash have a games design competition that looks fun.

Best wishes,

Mr Manning
