20th June 2020

Dear Parents,

Hope you are all keeping well. This 'Home Learning' pack has been provided for you to complete work at home over the next two weeks. This is the order we are going to be teaching in school for weeks 4-5 of Summer Term 2. If your child is coming into school on any day, please could you follow this pattern to ensure they haven't already completed the work we are going to be doing in school. If your child is staying at home you could complete these in any order. Thank you

We have provided enough material for 3 lessons a day but totally appreciate that this can be quite over facing for some, especially as more and more parents are working. Please don't feel under pressure to complete everything if it is not possible.

Monday	Literacy LPDS sheet	Numeracy White Rose maths Lesson 1	RE
Tuesday	Literacy LPDS sheet	Numeracy White Rose maths Lesson 2	French
Wednesday	Literacy LPDS sheet	Numeracy times tables/ maths games	PSHE
Thursday	Literacy LPDS sheet	Numeracy White Rose maths Lesson 3	PE Have a go at BBC Super Movers KS2: https://www.bbc.co.uk/teach/supermovers/ks2-collection/zr4ky9q This is a chance to learn and be active at the same time.
Friday	Literacy LPDS sheet	Numeracy White Rose maths Lesson 4	Topic- The Water Cycle

Literacy

- We have included the weekly literacy plans for weeks 4-5 published by LPDS. These will also be emailed to you so you can access the web links easily.

Maths

- Continue to practise times tables regularly using Times Table Rockstars or Hit the Button.
- Each day, log on to White Rose Maths Home Learning Year 4 where there are daily maths lessons with a power point. The worksheets have been provided in this pack and answers will be emailed to you weekly. Here is the website: <https://whiterosemaths.com/homelearning/year-4/>
- For further help or information, you can also look at BBC Bitesize.

Geography

For the remainder of this term we are going to be learning about 'The Water Cycle'.

Week 4

Watch these clips to help explain the water cycle:

<https://www.bbc.co.uk/bitesize/clips/z8qtfq8>

<https://www.bbc.co.uk/bitesize/topics/zkqg87h/articles/z3wpp39>

This is a really catchy tune to help learn about the water cycle (it will stay in your head for days!):

<https://www.youtube.com/watch?v=TWb4KIM2vts>

There is lots of new vocabulary linked to the water cycle. Using a dictionary or the internet find out the meaning of these words, write them down and put them into alphabetical order like a glossary.

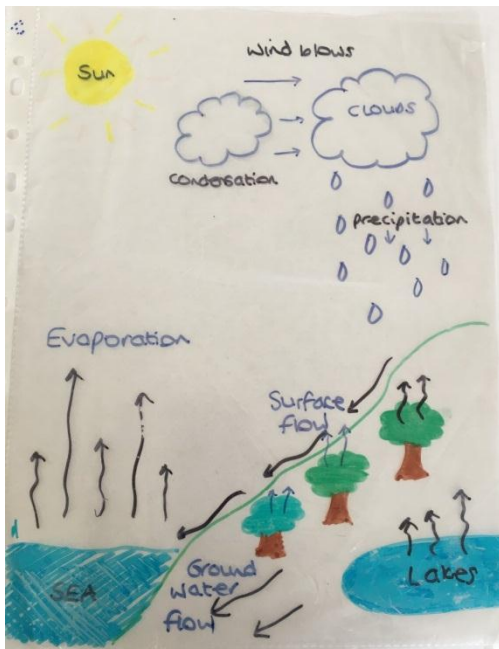

*water vapour
*transpiration
*precipitation

*percolation
*condensation
*absorption

*evaporation
*melting

Week 5

In your pack there is a clear food bag, draw the water cycle on the bag using felt tip pens, see the picture below (permanent ones like Sharpies are best as they won't wash off, but please be careful as they really are permanent and do stain!).

Put water in to your food bag to the level of the sea (about 4cm) and seal your bag completely so that no water can escape (you could put extra sticky tape around the top of the bag to make sure it is properly sealed).

Stick your bag to a window and watch it over the next few days. You should notice the water evaporating to the top of the bag, forming 'clouds' and running back down the inside of the bag. This is a simple version of the water cycle happening in a bag!

PSHE

Week 4 In your pack, there are pictures with lots of ways to make a positive difference around the home e.g. help prepare the table for dinner, give someone a compliment. Although we are sure you are already doing lots of these ideas, see how many you can do in a day and try to do as many of them as you can in a whole week.

Week 5 We have put a copy of what is normally the last page of your report in the pack, changed slightly to take account of lockdown. Please could you fill it in and Mrs Aylott has asked if you could then e-mail it back to us. Thank you

French

To write the story of The Three Little Pigs in French. I have given you two sheets to help you and a booklet to complete it in. You have all the french you need to make a beautiful story booklet. This should take you both French lessons for this pack.

RE

For the last few weeks of this term we would look at the unit, What is prayer? We would aim to answer the following questions.

What is prayer?	How do people pray?
When do people pray?	Why do people pray?
Where do people pray?	

If you have a bible at home the diocese suggests looking at the following parts of the new testament.

Matthew 19:13	Matthew 26:36	Mark 1:35
Luke 5:16	Luke 6:12	Luke 9:28
Luke 22:39	John 17:19-21	

You could record this;-

I think Jesus teaches Jesus shows

Have a look at these websites www.prayerspaceinschools.com
www.churchofengland.org/prayer-worship/worship/texts.aspx

See if you can write two prayers in your book, one praising God and one thanking God. Add some illustrations to your prayer.

Purple Mash

You can continue to use your Purple Mash login details to access lots of programs linked to the curriculum.

We hope you enjoy doing these activities. Remember it's also important to exercise daily, play games, do things you enjoy, laugh and have time to just relax too!

Best wishes

Mrs Belshire and Mrs Mayor
