6/07/2020

Dear Year Two Parents,

It is with great sadness that I am having to write this letter to accompany yet another home learning pack. I have really enjoyed teaching your children and have been desperate to get them all back into school so I could at least say hello and goodbye to them before they leave the infants. September is sounding quite promising but from the reports published so far, I'm still not sure life will be as normal as it could be even then. I will however, endeavour to see this lovely lot as often as I possibly can come September.

In terms of the pack, you will note that I have sent a daily literacy and maths activity for the last two weeks of term. Please complete as much as you can but do not worry if you or your child have lost enthusiasm by now. Every little helps so just try your best. If writing really is too much for your child, just listen to them read using texts from www.connect.collins.co.uk and/or www.oxfordowl.co.uk. As a Key Stage, we have tried to come up with some fun activities for the afternoons as by this stage in the year, we would have been having lots of fun with the children in school now. Please complete as many as you can and remember to keep posting pictures on Facebook if you are a member or email them to me as both myself and the children in school have loved seeing the children at home.

As always, if you need anything, even if it's just a chat about your child, please do get in touch. Miss Flynn is currently working in my 'bubble' and I intend to nip out of class to speak to the children at some point over the next two weeks, so I will definitely speak to you all soon.

Until then take care and keep smiling,

Mrs Cross ☺
