Year 2 Home Learning

(in the event of a 'bubble' closure due to COVID-19)

Dear Parents/Guardians,

We have had a positive Covid -19 test within our Year 2 bubble and unfortunately it will have to close.

If it is your child who is symptomatic/unwell, they are considered as being absent due to illness and would not be initially expected to complete any home learning; their priority is to recover from their symptoms please.

If it is not your child who is unwell, then they would be expected to engage with the following home learning.

Maths:

Each class is following the White Rose Maths planning, which is available for each year group at: <https://whiterosemaths.com/homelearning/> . A daily video lesson is available here to watch.

The class teacher/TA will email to let you know which week you should be working from and will also email the corresponding worksheets, to use alongside each video lesson. Answers can be found at <https://whiterosemaths.com/workbook-answers/> . Completed worksheets should be brought back to school when your child returns, to be inserted into their maths books.

Literacy:

Home learning for literacy will be based on the government-backed National Oak Academy - an online classroom offering free access to teachers delivering video lessons, along with activities and worksheets. See <https://classroom.thenationalacademy/subjects-by-year> for an overview.

The class teacher /TA will email to let you know which unit to follow, providing a direct link to the appropriate page. Work through the unit, one lesson each day. Completed activities from the lessons can be uploaded onto "Purple Mash" or emailed to the class teacher/TA for feedback.

Your child will be sent work to be completed each afternoon for different subjects. This work will be either emailed to you or set as a 2Do on Purple Mash.
