## Year 3 Recommended Reading List

Dear Parents/Carers,

We are sometimes asked to recommend books suitable for different aged children and over the page is a list of possible fiction books for Year 3 aged children. The list over the page is purely a **suggested** reading list and by no means compulsory or exhaustive (please feel free to suggest to us any other texts you know that are suitable). We would also recommend that you read the synopsis of the book before deciding whether it would be suitable for, or of interest to, your child as sometimes the subject matter can be quite demanding.

Please remember that there is an expectation for children to be reading every night at home and to be filling in their reading record each day. Whilst the children are at a stage where they can read independently, many of these books are particularly good to share with your child. This helps them hear good reading and expression being modelled and also allows for you to discuss any themes or vocabulary arising from the books. We have recently bought many of these books and so they are available in school if your child would like to borrow them.

It would be lovely if your child could keep this sheet and fill it in as they read/share any of the books. Team points will be awarded! Feel free to attach a list of any other books which your child has read and enjoyed.

J. Redmayne (Literacy Subject-Leader)
