

Computing	Programming Computer Science	Creating content Information Technology
EYFS	I know what to press to give simple instruction to beebot.	I know how to take a picture using an iPad.
Y1	I know how to create an algorithm for a beebot.	I know how to construct a simple story using a word processor.
Y2	I know how to an create an algorithm to move sprites using Scratch Jnr.	I know how to make a multimedia interactive eBook.
Y3	I know how to create and adapt an algorithm that combines images, sounds and movement using Scratch.	I know how to create an audio podcast.
Y4	I know how to create and adapt more complex algorithms that contain repetition and conditionals using Scratch	I know how to create and edit an animation.
Y5	I know how to create, adapt and fix algorithms for a game that use variables, repetition and conditionals using Scratch	I know how to design and make an HTML webpage.
Y6	I know how to programme an app.	I know how to create and use a spreadsheet.
