Dear Parents,

Further update re Lockerbie

Following more negotiations with Lockerbie Manor the very best we can come up with is going w/c 28th June at a reduced cost of £399.

The coach would be £27 if everyone went totalling £426. But you have already paid £50 deposit (which is and always was non refundable\

**So the balance to pay would be £ 376**

As we are going in June, the full balance would be needed by April, and we can set up a regular payment system again if needed too.

Thank you to everyone who replied to our previous questions. As the vast majority of you were still happy to go at the higher price, we assume it is still a yes at this slightly reduced price? (Reduced from the new price, not the September one of course!)

If you were one of the very few who were unhappy, does this help? We do understand that it is still a significant increase on the September price. We understand that times are very difficult for everyone, including Lockerbie Manor- and of course summer is peak season.

I enclose a link to their website so you can get a flavour of the sort of activities the children would be undertaking. We have also been given a clear indication by the Manor of the infection safety precautions they are putting into place, which are reassuring- and hopefully by summer matters will be much better anyway.

Please reply by return if you wish your child to go, as they can only hold the date temporarily for us.

Thank you for your understanding in this- we know it is a very tricky situation.
