"Let faith be your shield"

Newsletter No 2 Friday 11th September 2020

Thank You

Thank you to you all for your patience and understanding - things seem to be running much more smoothly at the start and end of the school day.

The vast majority of parents are now wearing a mask but we would ask that if possible ALL parents did so at the start and end of the day. A gentle reminder also to keep to social distancing rules, particularly to refrain from shaking hands with someone you may not have seen for a while, tempting though it is.

We realise that due to the weather recently, rubbish has been blowing around, however we have had to pick up face masks and other related items in the school grounds. Please ensure you don't drop these in school.

Illness

School understands that this is the time of year when children do come down with coughs, colds and sniffles. However, this year is quite different and we must now follow more stringent guidelines.

If your child has developed a cough, regardless of whether there are any other related symptoms, you MUST keep them at home and seek advice from the Covid Information line (119). Please note a raised temperature, a change in taste and/or smell (anosmia), are also symptoms which require a test. Symptomatic (adult or child) must self-isolate for at least 10 days and other family members for a minimum of 14 days.

For further information please go to <https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>.

Breakfast & After School Club- Places Available

Operating from 7.45am until your child starts school and after school until 6pm, breakfast and after school club is available to all who would like a place. Families have to register online and can book last minute (ad hoc) and fixed places throughout the year with parents having full control over bookings and payments. Anyone who may be interested in booking can register online through the website: www.scotforthplayschemes.co.uk (please watch the helpful video clips). All protective measures are fully in place, with lots of toys and games both in and outdoors for children to enjoy in their bubbles! Marie Smith is always available to help via email: admin@scotforthplayschemes.co.uk or via phone 07796569719.

MISSION STATEMENT

Learning, growing and caring as part of
God's family

"I am the vine, and you are the branches. If any remain in me and I remain in them, they produce much fruit." (John 15:5)
