

# Scotforth St Paul's C of E Primary & Nursery School

"Let faith be your shield"

Newsletter No 7 Friday 16th October 2020

## MISSION STATEMENT

Learning, growing and caring as part of  
God's family

*"I am the vine, and you are the branches. If any remain  
in me and I remain in them, they produce much  
fruit." (John 15:5)*

### Half-Term Holiday

Just a reminder that school closes at 3.15 p.m. on Wednesday, 21st October and re-opens at 8.45 a.m. on Monday, 2nd November.

### Scotforth ASC Half-Term Playscheme

Places are still available for next week for anyone looking for childcare or activities for their child over the holiday. Please see the poster sent with the newsletter.

### Poppy Appeal

We are again supporting the Royal British Legion Poppy Appeal this year. However, due to the restrictions in place it will be a little different this year. Please see the poster (sent with the newsletter) which shows the items that are available with the suggested donation. If your child wishes to purchase anything, please enclose the donation in an envelope with the child's name and class on the front, together with the item they want and hand to the class teacher. The item will then be sent back to the class for them to take home at the end of the day. Please note that this year there is limited stock and items requested may not be available and would suggest that you only purchase one item for the moment, although we may obtain further stock later.

As always there is ample supply of the usual button hole poppy and a very limited supply of poppy stickers available.

We hope you will continue to support this very worthy cause. Many thanks.

### Year 5

Next Wednesday, 21st October, Year 5 will be watching 'The Lion, the Witch and the Wardrobe' and after half-term they will be watching excerpts from 'Stormbreaker'. Both of these are rated PG, please let the class teacher know, in writing, if you do not want your child to watch either of them.

### Thank You NNAS

KS1 children would like to thank North West Ambulance Service for the 'Restart a Heart' zoom session which they took part in today. They learnt how and when to use 999 in an emergency and what constitutes an emergency. If you would like your child to participate in their competition they need to design a poster based on the information they have learnt during today's session. Please send entries to school by Wednesday, 21st October.

### Applications for Primary and Secondary Schools

Please see the posters giving full details of how to apply for school places for September 2021 situated at the Chatsworth Road entrance and the main school entrance.

### Grammar School Tests

Good luck to everyone who is sitting the test on Saturday.

## Scotforth Superstars

Name	Nominated by	Nominated for

Ida Davey Louis Fagan	Mrs Boyle	100% effort in their work

### Covid- 19 Testing

**If a child has COVID-19 symptoms, gets tested and tests negative, can they return to school even if they still have symptoms?**

If the child is NOT a known contact of a confirmed case the child can return to school if the result is negative, provided they have been fever free for 48 hours and feel well.

If the child is a contact of a confirmed case they must stay off school for the 14 day isolation period, even if they test negative. This is because they can develop the infection at any point up to day 14 (the incubation period for COVID-19), so if a child tests negative on day 3 they may still go on to develop the infection.

**If a child who was a contact of a confirmed case tests negative, can they return to school?**

No, the child should complete 14 days of isolation.
