

Scotforth St Paul's C of E Primary & Nursery School

"Let faith be your shield"

Newsletter No 36 Friday 21st June 2019

MISSION STATEMENT

We learn, grow and care in
God's family

★ Scotforth Superstars ★

Lockerbie Trip Y6

This must be paid in full by **FRIDAY, 28th JUNE** (next Friday). If you are unsure of how much is still outstanding, please call into the office as soon as possible. Many thanks

Year 4 French Day

Just a reminder Year 4 French Day is **Tuesday, 25th June**. You can come dressed in red, white and blue or as a French character. If you would like to taste some French food, please bring an item for the buffet.

FOSSY Summer Fair - Friday 12th July

The build up for this year's summer fair has begun! **Friday, 28th June is a non-uniform day. Please bring bottles for the bottle tombola.** (See diary dates for next non-uniform days).

Year 6 Leavers' Party

Please note that permission forms and money needs to be returned to school by **Friday, 28th June**.

Awards

If your child received an award at the Leavers' Service last July, please could you return it to school by Friday, 28th June so that it is ready to pass on to the next recipient. Many thanks.

New Staff Members

We would like to welcome 2 new members of staff: Mrs Elliott and Mrs Boardley, who are both parents of children in school. They will be taking up the role of Welfare and cleaning. Please make them welcome.

Reading YR-Y5

Mrs Aylott has been checking the reading records and as per our home school agreement and prospectus, please could we ask that your child reads each day and that you record this in their reading record. Many thanks to those parents who are already doing this so conscientiously.

Name	Nominated by	Nominated for
William Blackwell	Miss Stritch	Trying hard with his sounding out and blending

April 2019

Dear Parent/Carer,

There are a lot of things that need to be done in preparation for your child's first day at school. As part of preparing, making sure your child is up to date with their immunisations is also really important. Having your child immunised is the best way to protect them from serious childhood diseases.

At school your child will be mixing with other children in small spaces which increases the risk of germs spreading. Immunisations will help protect your child from diseases which can be spread very quickly making children very poorly and could lead to serious complications. It is really important your child is fully protected and getting immunised is a safe and effective way of doing this. It also helps protect other people as well.

Your child should have had a pre-school booster and their second Measles, Mumps and Rubella immunisation at the GP practice when they were around 3 and a half years old.

If you are not sure if your child is up to date with their immunisations check their personal health record (Red Book) or contact your GP practice today. For more information visit www.nhs.uk/vaccinations.

For Information on MMR in different languages or in an accessible format visit <https://www.gov.uk/government/publications/mmr-for-all-general-leaflet>.

We wish your child a happy and healthy start at school.

Yours sincerely,

Tricia Spedding
Head of Public Health

Dianne Draper
Screening and Immunisation Lead

Please record the date and time of your immunisation appointment here and put it in an obvious place in your home.

Vaccination appointment:

on: ____/____/____

Measles spreads quickly and can be very serious.

Injections stop children catching some diseases such as: Measles, Mumps and Rubella.

Vaccines are safe. Many childhood diseases are dangerous.

Your child needs 2 doses of MMR. Ask your nurse, health visitor or doctor for advice about children's vaccines.

LucyHampson@gmail.com

Rhythmic Movement Training (RMT)

RMT replicates the natural movement patterns that are crucial for the foundations of neural networks built within the brain to develop whole brain-body connection. Your child will practice balances, stretches, and movements in a calm and playful environment.

Classes are designed to support:

- Sensory Integration
- Strength and Coordination
- Emotional and Social Interaction
- Calm and Focus
- Reading and Writing Skills

**RMT HAS HELPED THOUSANDS OF CHILDREN WITH DYSLEXIA,
DYSPRAXIA, SPEECH AND LANGUAGE DELAY, ADHD AND ANXIETY**

Supported by the latest neuroscience research
