POWAR Survey

Dear Parents and Carers,

POWAR the council for children and young people with special educational needs and disabilities have created a survey for young people with SEND to share what they think is the top issue for them. Once the results are in POWAR will create a campaign to raise awareness of and tackle the issue.

POWAR would like to hear the voice of children and young people through this survey and ask that you share it with your child/young person so POWAR can hear as many views as possible.
