Learning, growing and
caring as part of God's family

"I am the vine, and you are the branches.
If any remain in me and I remain in them,
they produce much fruit." (John 15:5)

Nursery Prospectus September 2022

Nursery Prospectus

Aims

Our primary focus is to provide a high quality nursery education for children aged 3-4 in a 26 place nursery class which is part of Scotforth St Paul's School. We will serve local families and the wider area. We intend to do this by

: Creating a happy, secure environment that is child centred, stimulating and safe.

: Establishing a partnership with parents, supporting them and acknowledging them as the primary carers and educators of their children.

: Planning experiences in the nursery that are fun and appropriate to individual children.

: Employing a trained teacher who is experienced in the Early Years.

Application forms and the terms and conditions are on our website at

www.scotforth-st-pauls.lancs.sch.uk Please ask if you need any help filling in the application.

Safeguarding

To ensure all children are protected from abuse and harm, and to promote their right to be strong, resilient and listened to, we are committed to responding promptly and appropriately to all incidents or concerns of abuse and to work with the statutory agencies. We follow the Local Safeguarding Children's Boards flowchart for referrals; these will be recorded in accordance with school's Child Protection procedures.

Our Safeguarding and Child Protection policies are freely available on request.

Location

We are located on the A6 on Scotforth Road.

Staff

To offer the best care and education for your child we believe it is vital to employ staff with a good balance of skills, experience and specialisms.

Mrs Atkinson is a qualified teacher with over 20 years experience working in the Early years in both reception and school nursery classes. She is St. Paul's School's Foundation Stage co-ordinator.

Mrs Atkinson is supported by Mrs Todd-Bryce who is a Level 3 qualified teaching assistant.

There is always at least 1 member of staff in the room who is trained in paediatric first aid.

Settling in Procedure

We attach great importance to settling your child into nursery. We recommend a minimum of one visit of about an hour in which we ask you to leave your child to begin to get to know us. If you want to know more about visits we would be delighted to help you, please telephone with any further questions or to arrange an appointment to view the nursery. Children can have up to 3 free settling in sessions.

Each child will have a key worker-we will get together with the children in our key groups daily. If you would like to talk with your child's key worker please ring school on 01524 65379 to make an appointment. You could also send an email to Mrs Atkinson

fsks1leader@scotforth-st-pauls.lancs.sch.uk

Curriculum

We follow the statutory framework for the Early Years that was introduced in September 2021. The Early years foundation stage has 7 areas of learning and development. The nursery staff plan together each half term to provide purposeful activities based around children's needs and interests. Staff observe the children and use these observations to plan for the next steps in children's learning. We support children who are working at 2-3 or 3-4 years old. All children are at different stages of development.

Many of the activities are planned around the 3 prime areas of

: communication and language-speaking, listening and understanding.

: physical development-health and self-care, small and large scale movements and using tools including pencils.

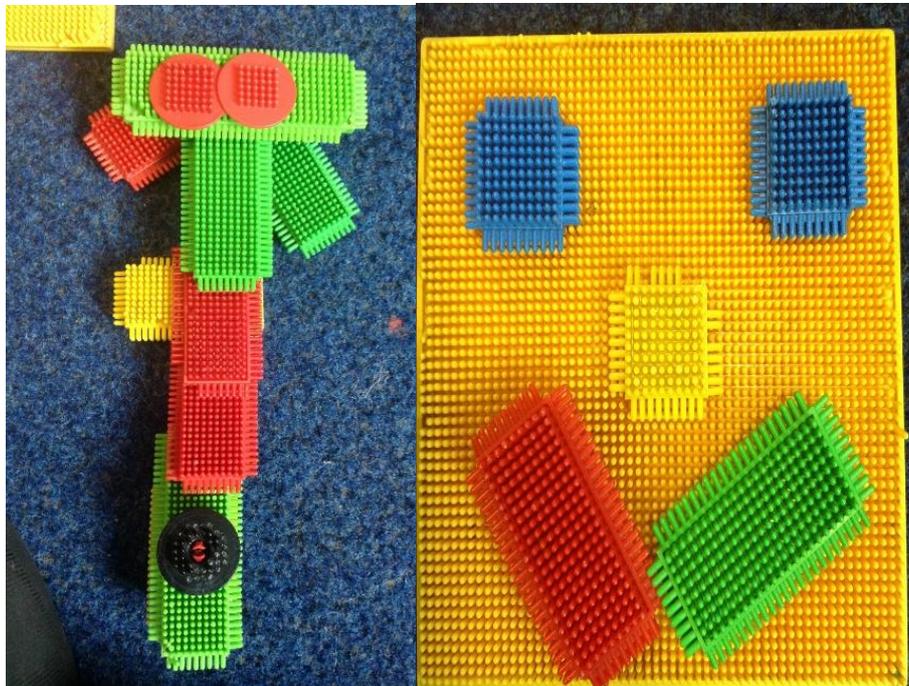

:personal, social and emotional development-self confidence, making relationships and managing behaviour.

Without the skills in these areas children would struggle to access the 4 specific areas of: literacy- including reading, listening to and joining in with songs, rhymes and stories and mark making that will develop into writing.

:mathematics-including numbers, shape and measures.

:understanding the world-including technology, animals and plants and the local area.

:expressive arts and design-including making, joining construction toys, art, music, dance and role-play.

Children will have the opportunity to use the hall and large playgrounds. We do P.E. style activities twice a week in the hall to support our physical development. Children will use the outdoor areas every day and are encouraged to bring a pair of wellies to keep at nursery.

Children will have the opportunity to attend shows, special assemblies and sports days with the school children especially in the 2 terms before they go to school.

****Please remember that parents must apply for a place at their chosen primary school in the October before your child starts school. Attending St. Paul's nursery class does not mean children will receive a place in the reception class.**

Children have the opportunity to learn through play based and practical activities either set up by an adult or suggested by the child.

Sessions and fees

Nursery is open for 38 weeks of the year (term time) It is possible to book nursery aged children into the holiday play scheme at school which operates for a further 9 weeks a year. Please see Scotforth After School Club prospectus for details of their terms and conditions.

Morning sessions are 9:00am to 12:00pm (the door opens at 8:45 for parents who need to drop their children off earlier.)

Afternoon sessions are 12:00pm to 3:00pm.

Children can attend from the term after their third birthday for up to 15 hours per week using the governments free universal 15 hours of childcare. You may choose to take up to 5 mornings, 5 afternoons or 2.5 full days which would ideally be Monday all day, Tuesday all day and Wed morning/or Wed afternoon, Thursday all day, Friday all day. We can be flexible if you need a different pattern. Children who will turn 3 in a term are known as “rising 3’s” and can start Nursery with a fee-paying place.

In September 2017 the government introduced a further 15 hours of free childcare for working parents. Parents can check if they are eligible for this extra funding by going on the “Childcare choices” website.

There is the option to pay for further sessions, before school care and after school care.

Sometimes an extra session is needed in a week. If we have the space, we will try to accommodate requests.

Breakfast club runs from 7:45am-8:45am (In the school hall but run by Scotforth ASC)

Morning or afternoon session £13.50

After school club from 3:00pm until 6:00pm (Please enquire about current prices)

Full day 8:45 am to 3:00pm £27.00

Full day with wrap around care 7:45am to 6:00pm

Fees are paid in advance with bills being sent out on the first of the month for the month ahead. The first month’s fees are payable in advance unless you are accessing the 15 hours free funding only. Bills can be paid by cash or cheque. Ask us about paying online.

On accepting a place, you will be asked to sign permissions for the taking and displaying of photographs of your child, emergency treatment, first aid, application of sun cream and outings from nursery in the local area.

Help with childcare costs

The government funds 15 hours of education per week for 38 weeks of the year beginning the term following your child's third birthday. This is known as "Universal" funding. Most working parents will be able to access a further 15 hours a week which can be split between up to 2 providers a day. This "extra" funding can be used at Breakfast clubs and after school clubs and for holiday childcare. Parents apply for this funding online and will receive an 11 digit code to bring into Nursery.

Child tax credit-This is paid into the bank account of the main person in your family who is responsible for looking after the children. Child tax credit is available to families with an income up to £43,000 whether or not they are working.

Working tax credit-Help is available for parents who work through the Working Tax Credit, part of which helps with the costs of childcare. You can get more information on either credit online at www.inlandrevenue.gov.uk/taxcredits or ring the helpline on 0845 300 3900.

Come in and ask us if you are unsure about how to pay for childcare costs.

Food/snacks/drinks

Drinks of water are available on demand throughout the day. Children are encouraged to drink plenty of water, especially in warm weather. At snack time and lunchtime there is also the option of milk which is provided free.

To safeguard your child's teeth, we aim to limit the consumption of sugar. Our snacks include lots of fresh fruit and vegetables. Children are not allowed to bring sweets or chocolate to eat at nursery. Please talk to us about your child's allergies or any special dietary needs.

Children who are staying for lunch can bring a packed lunch which will be eaten in either the Nursery room or the school hall. The nursery children sit together with a familiar adult.

Children can have a hot dinner at a price of £2.35 per day.

Security of children

For the safety of all the children in our care the nursery gate is open until 9:05am only before being electronically shut by office staff. The gate reopens at 12:00 pm for parents collecting children from the morning session and for parents bringing children to the afternoon session. The gate unlocks again at 2:45pm for parents picking up children from reception/nursery and will stay unlocked until 3:30 pm for parents of EYFS children. A member of staff will let parents in through the classroom door and will stay at the door until all children are collected. During the day when the gate is locked children will have access to the outdoors with a member of staff.

Under no circumstances will we allow your child to be collected by anyone not authorised by you. Proof of identity or a password will be required from anyone unfamiliar to us. We will not allow anyone under the age of 16 to collect your child.

Clothing and nappies

Most children at 3 years old are already using a toilet. Within the nursery class are infant sized toilets. If a child has an accident we will provide spare clothes that need to be washed and returned as soon as possible. If your child still wears nappies please inform us before they start nursery and we will work together on toilet training. It would be helpful to have a change of clothes from home in your child's drawer.

Children must wear clothing that they can remove and dress themselves in including their socks and shoes. A coat must be brought each day. In summer a sun hat must be provided that is to be left in school. All clothes should be named. If you have signed the consent form we will support children in applying sun cream on arms, legs and faces.

Illness and infection

Due to the risks of cross-infection in a nursery environment, if your child is suffering from an infectious illness, including Measles, German Measles, Chicken Pox, Thrush, Impetigo, Scarlet fever etc. he or she must not attend nursery until the infection has cleared. Please ask for latest health service advice. If your child is suffering from sickness or diarrhoea, then they must not return to nursery for 48 hours after beginning to feel well again.

Please make sure all contact details are up to date in case we need to ring you in case of an accident or illness.

COVID 19

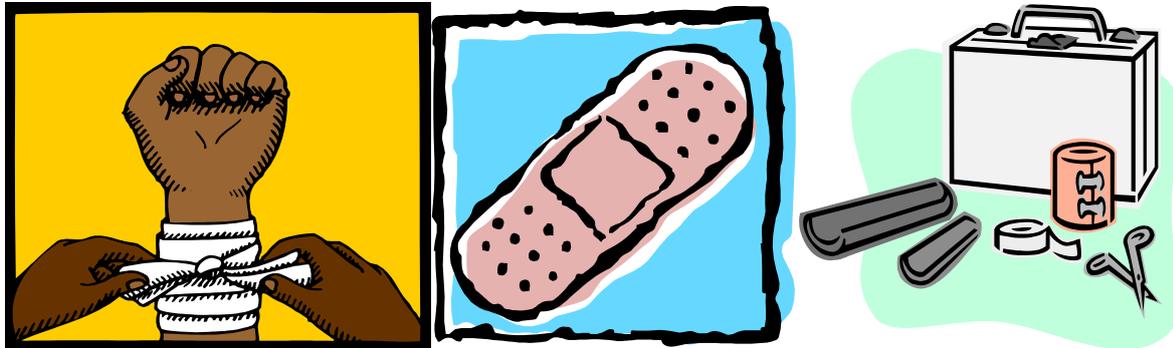

Please come into Nursery again at drop off and pick up time. At 3:00pm we may be having a story but you are welcome to come in and listen.

Prescribed Medication

We will only give your child medication that is prescribed by a GP. Please fill in a form from the school office if your child needs medication during the day including inhalers. Medicine will only be given if it is in its original container with the child's name on.

First Aid and Emergency treatment

When your child starts nursery we will ask you for written permission to administer first aid treatment if necessary, and for permission to take your child to hospital, by car or ambulance in an emergency.

Access to records

Parents are welcome to see any written records we hold on their child. Children's learning journeys are now all online using the "evidence me" app. Let me know if you need support in setting this up. You can look at children's observations and achievements as often as you like. You can send us photos and observations of your child at home also.

We have paper assessments including tracking grids/speech and language and phonics. You will be shown these at parent's sessions. In your child's first half term at Nursery we will complete baseline observations showing which areas of room they prefer etc.

News

The nursery has its own area on the school website under the "Nursery" tab.

www.scotforth-st-pauls.lancs.sch.uk

You will find our Nursery blog that shows some of the exciting things we have been doing during the week. Please ask to receive the School's weekly newsletter. This comes by email and has lots of dates and information on it. Sometimes you will be sent information using the evidence me App.

You are welcome to come to school functions and are automatically a member of Scot4all our PTA.
