July 2020

Dear parents of all Year 1 children,

This is a very different summer letter to that which I am used to writing and I cannot believe it is the summer holidays already! I am glad to hear lots of pupils (and parents) are enjoying being back at school. I have had the chance to see some of the children in 'Orange bubble' during playtimes and say hello.

This is the last pack before the summer holidays.

English: We are continuing to use Lancashire LPDS plans on a daily basis- please see attached weekly plans.

Reading- Continues to remain a high priority, so I have given you links to a couple of online companies who are giving you access to free audio books.

Go to <https://connect.collins.co.uk/school/Portal.aspx>

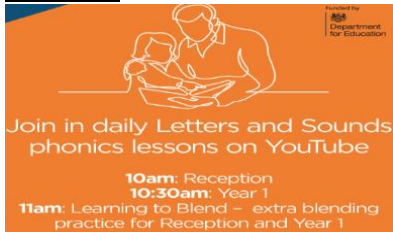

Click on the **Teacher** portal and enter

Phonics: This is what we will be doing daily in school.

Spelling- Please continue learning the Year 1 CEW's or the next 200 high frequency word list.

Writing: Continue to make sure your child is forming their letters correctly, starting from the correct place, sitting them on the line and are of a small size. Go over the entire alphabet and write the capital letters and lower case letters checking the formation.

Maths: I have given you the White Rose Maths sheets and if you have requested the Maths No Problem sheets, they are included in your packs too.

-Continue with the number bonds challenge - do they remember them to 10, 11, 12,13 up to 20?

-Any quick mental maths to aid addition and subtraction.

Transition

Concerning moving into Year 2, we haven't been able to do our normal transition routines as we have been awaiting government guidance for September. Therefore, I will be putting together a photo pack (via Email) that you can talk through with your child during the summer.

I wish you all a fantastic, relaxing summer!

Best wishes and take care.

Yours sincerely,

Mrs Boyle
