

Curriculum Newsletter

Summer 1 2024

Year 5

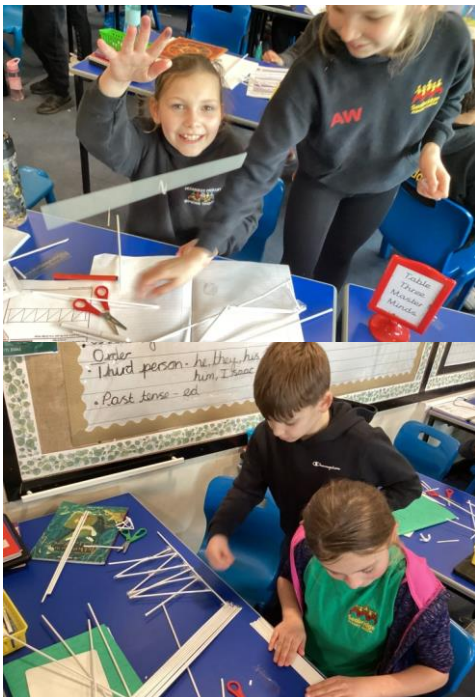

Reading: This term we will be reading Michael Morpurgo's Kensuke's Kingdom.

Spellings: We will continue to work through the spelling rules on EdShed. All children are working really hard to learn their spellings for the end of week Spelling test.

Times Tables and number facts: Please practise these daily.

Homework: Spellings on EdShed, SPaG quiz on EdShed, Maths worksheet

PE Kit: Year 5 will need to come to school in their PE kit every Thursday and Friday.

Our area of learning this term in History will be looking at World War One and its impact on our country. To aid our learning, we will be having a WW1 experience day on 1st July.

In Geography we will be investigating Brazil. We will be learning about all the human and physical geographic features. This will help us to plan a trip to visit the country.

In Science we will be learning about life cycles and how different animals reproduce. On 10th May 2024, Zoo2U will be visiting us and letting us meet some of their fantastic animals.

In DT we will be looking at fashion and textiles. If anyone has any fabric they are able to donate, it would be most appreciated.

You can help your child to succeed by doing the following:

Daily reading practise (remember to follow the strategies laid out in the reading folder)

Daily spelling practise

Practise times tables and key number facts

Supporting your child to become more independent in getting organised for school and remembering their homework.

For additional information and resources to support your child's learning, please see our school website and the home school links diaries.

Please feel free to contact us with any queries and we will try to help wherever possible. We look forward to working alongside you and your child.

Mrs Shawley and Mrs Davies
