

The Seabridge Style

Maths – KS1

Presentation:

- Good number formation;
- One digit per square;
- Rulers for straight lines;
- Look at teacher models.

Implementation:

- We use key vocabulary;
- We make connections;
- We think back;
- We use the working wall;
- We use resources to help us - CPA approach;
- We use the cooperative behaviours;
- We show resilience and determination;
- We do our best and are eager for challenge.

Impact:

- Verbal feedback tells us how to get better;
- Written feedback helps us to improve.
