

What does my teacher's marking mean?

Letters you might see:

IW - You worked independently (only to be used when this was unexpected)

S - You needed support from an adult

S+ - You needed a lot of support from an adult

VF - Verbal feedback was given to allow me to move on my learning

SP 1. 2. 3. - You need to find your incorrect spelling and practise this three times

NS - This is will used to tell me what I need to work on next (EY ONLY)

✓ - This shows that you have got an answer correct

● - This shows that you have got a question incorrect

●C - This will be used by some teachers to show that you need to correct that question

Children will at times mark their own work. This might be completed in pen, pencil or a colour.

Pink comment or tick - What you did well

Green comment - How to improve or challenge yourself. This will be completed in blue pen/pencil, or for longer responses with a △.

Marking strips:

This shows that the child has used capital letters

This shows that the child has not applied their phonics knowledge

Variations of this marking strip will be used in EY and KSI, and with Year 3 acting as a transition year.
