

Our Projects

Our Goals

We have a busy year ahead! This outlines our goals, building on a successful previous academic year.

- Elect children for the School Council
- Select and establish the 'Playtime Buddies'
- Help plan for upcoming fund raising activities
- What is our vision?
- What does being on the council mean to us?

What is a Playtime Buddy?

Someone to play with

Someone to help you solve a problem

Someone to set a wonderful example of how to behave and play at playtimes

Someone to rely upon and play with

Please look out for our Playtime Buddies - they wear red bands on their arm - and are here to help all the children.
