

School Council and Green Team Agenda

Autumn 1 – Welcome to the School Council

Elections

Discuss our vision for the school

- Discuss Good Health and Wellbeing (Good Life Goal 3)
 - What is 'being healthy'?
 - How could we stay healthy at school and home

Autumn 2 – Recycling

Discuss what is recycling and how can we support it

- Work with the Green Team
 - Reduce, Reuse, Recycle
- Promote and encourage reusable water bottle in school
 - Consider how much plastic is used at school

Spring 1 – Life on land (Good Life Goal 15)

Consider the affects of littering, it may look messy but how does it affect our animals?

Discuss how we can care for life on land.

Spring 2 – Life below water (Good Life Goal 14)

Review and reflect on last half terms meeting and the affects of littering. How may it affect animals that live below water? How can we help care for animals?

Summer 1 – Partnership for the goals (Good Life Goal 17)

Discuss how we can achieve the Good Life Goals and how we can get more people involved.
Consider partnership with the Green Team, friends and family.

Summer 2 – Save Water

Ensure that all taps are knocked off after use e.g. at home when brushing your teeth.
