

18 March 2020

Following this evening's announcement that English schools will close to almost all children on Friday, the federation's Senior Leadership Team are looking at what this means for our schools. We will provide further information as soon as we can, but as it stands, all three schools will be open tomorrow. It is essential that students come in on Thursday and Friday to collect books, work etc. for the coming weeks, provided they are well enough to do so.
