Good afternoon parents/carers

I hope you are all well? As we did last term, we will update you every night with any information related to Covid-19 and the lockdown.

Yesterday the government announced that it will be funding computers and other ICT for certain pupils in year 10. We do not have any details about this yet. As soon as we do, we will contact the parents that this offer applies to.

Also, the BBC has launched a new Bitesize offer and information about this is on the website.

Staff are also setting new work so please make every effort to get your children to do this work.

For parents and pupils in year 11 and 13 there is a letter about exam grades please read that and if you have any questions contact the staff identified in the letter.

The gossip about schools opening continues to go on. However as was said by the Minister for Education yesterday there are no plans to open any school to all pupils sorted yet. As soon as I know anything, I will let you know.

Many thanks and keep safe.

Best wishes

John Barnes  
Executive Headteacher
