Good morning

I hope you are all well?

I am sure many of you will have lots of questions after the announcement from the Prime Minister last night. Sadly, I have no answers for you at the moment.

Rather than give you a knee jerk reaction I will await guidance and advice from the Department for Education and will be in touch as soon as possible with what our next steps will be.

But at this moment in time you know as much as I do!

I know this is easy to say but hard to do but please try not to stress too much about this. As a Federation we will do our very best to make sure that we inform you of what is happening as soon as possible.

Many thanks and keep safe.

All the best.
