Dear parents and carers,

As you will be aware Whytrig Middle School has been closed during the lockdown period, other than to vulnerable children and the children of key workers. Last week, following a great deal of hard work from staff, we have successfully extended our provision to allow Year 6 pupils to return to school and are making our first tentative steps to get back to normal.

I hope that you will appreciate that because of the uncertainty around the current situation, it has been very difficult to make arrangements for transition before this point. However, we have now begun to plan how this will take place and we will be forwarding further details before the end of next week.

We are very aware that this is an anxious time for parents and carers of children who are transferring to us in September. Please be assured that a smooth transition for your children is of the utmost importance to us.

Regards,

Mr Jon Souter

Head of School
