Dear Parents/Carers,

This is the time of year that we would normally look forward to opening our doors and welcoming prospective pupils and their parents and carers to Seaton Sluice Middle School. Visitors could expect to have a tour of the school, as well as listen to a presentation from senior staff about what the school has to offer. There would be opportunities to visit classrooms, meet teachers and current pupils, and look at the types of lessons and activities your children might be involved in.

Unfortunately, due to the current restrictions due to Covid-19, we are unable to hold our normal Open Evening event. This is disappointing for us, as we really enjoy showing off the fantastic things that go on in our school every day.

Instead, however, we would like to give you the opportunity to find out more about Seaton Sluice Middle School on our website, with a series of video and photo presentations from our staff and students, by clicking on the following link:

This presentation gives you a flavour of what we are about as a school. We have a caring, inclusive environment in which children can learn and thrive, academically, physically and emotionally, and a committed team of excellent teachers and additional staff to support them.

If you have any further queries about our school, please do not hesitate to contact us.

Yours sincerely,

Mrs Karen McSparron

Head of School
