Dear Parent/Carer

The government has asked all secondary schools to carry out Covid-19 Lateral Flow tests for their students **once** on-site before they return to school in January, following the Christmas holidays. This testing will take place on **TUESDAY 4TH JANUARY 2022** which is our Teacher Training Day. Students should attend their school for testing at the allocated time and then leave.

Please try to attend at the allocated time; however, if you cannot make it then, please come along to another session, as long as it is at the same school site. If you have children in more than one year group, at the same school site, you are welcome to bring them along to be tested at the same time.

WHYTRIG MIDDLE SCHOOL

Students should make their way around the driveway and directly to the Sports Hall. Access to the rest of the school site will not be permitted. Parents/carers can wait in their cars in the car park by the field.

- They have Covid-19 symptoms on the 4th January 2022 – they must get a PCR test

Following the test, you will only receive contact from us if the result is positive. We will not be contacting parents/carers with negative results.
