Full Time, Permanent

Candidate Information Pack

Small enough to care, big enough to deliver a positive impact

Executive Headteacher's welcome

Thank you for your interest in this opportunity to join Astley Community High School as a **Teacher of Mathematics**. This post is suitable for an ECT, as well as experienced teachers. This candidate information pack will tell you much more about the school and the role.

Astley Community High School is part of the Seaton Valley Federation of Schools. The other members of the federation are Whytrig Middle School, which is co-located with Astley in Elsdon Avenue and Seaton Sluice Middle School. The three schools share a single governing body.

We are also about to embark on an exciting new chapter. Northumberland County Council has recently announced plans for a multi-million pound investment to create a brand new building for Astley Community High School and Whytrig Middle School.

I am immensely proud to be Executive Headteacher of all three schools. We strive for excellence in the education we provide for our students and are a focal point for the local community. All three schools are rated as 'Good' by Ofsted. I strongly believe that the relatively small size of all three schools provides a great environment to get to know our young people well, so that we are able to understand and respond to each individual's needs and enable them to succeed.

John Barnes, Executive Headteacher – Seaton Valley Federation of Schools

Head of School's welcome

Many thanks for showing interest in the position of **Teacher of Mathematics** at Astley Community High School. This is a great place to work - as a small school there is a real sense of community. Staff are able to fully get to know the students in both an academic and pastoral sense. Behaviour across the school is good with the vast majority of students putting into practice our behaviour expectations of being ready, respectful and safe on a daily basis. Our students from Year 9 into the Sixth Form have a focus on wanting to learn - this helps to foster an attitude of wanting to achieve the best they can.

You will be joining a dedicated and experienced Maths department. I hope that the information within this pack will encourage you to apply for this opportunity. If you would like an informal discussion about the post or you would like to organise a visit to school then please contact me or Carolyn Ward (Head of Faculty for Maths) on **0191 2371505**.

Our ethos and values

As part of the Seaton Valley Federation we share the same ethos and vision and use this as a reference point for all we do. Our vision is:

- **To be exceptional in everything we do.**
- **To ensure that everyone attends a school where they are safe, happy, successful and have lots of opportunities.**
- **To provide a positive learning environment which allows everyone to achieve their potential.**

We have three main themes to our ethos:

- **To know every child academically and pastorally as a complete young person.**
- **To treat everyone and everything with respect.**
- **To strive for everyone to be as good as they can be and to be proud of doing well.**

Our schools are small enough to care but big enough to deliver a positive impact.

All three schools in the Seaton Valley Federation share a set of core values. We expect that all members of our school community will:

- develop their self-knowledge, self-esteem and self-confidence
- respect the laws of England and will know right from wrong and ensure their actions reflect this
- accept responsibility for their behaviour
- show initiative and contribute in a positive way to the school community, the local community and society in general
- show respect for each other and all other people
- show tolerance and respect for different cultures and traditions and will never act in such a way that these cultures or traditions are abused or attacked
- show respect for the rule of democracy and respect for the democratic principles of England.

About our performance

	Overall Effectiveness	Last Ofsted Inspection
Astley Community High School	Good	November 2019
Seaton Sluice Middle School	Good	July 2023
Whytrig Middle School	Good	November 2021

We are very proud all three schools in Seaton Valley Federation are rated as **GOOD** schools by Ofsted. The most recent inspection at Whytrig Middle judged the school to be a Good school overall and 'Outstanding' for behaviour and attitudes. See below some of the comments made on our most recent Ofsted reports:-

"Pupils say that they are very proud of their school. They struggle to think of anything they would want to improve about it. One pupil said, 'There are too many good things and I would not have time to tell you about them all.' Staff and school leaders care deeply about the pupils and have high expectations of them. This is an inclusive school. Relationships in classrooms are excellent. Teachers say that they love working here because they can really teach. There is a culture of safety in the school. Pupils say they feel safe and they value the work of the school in helping them to understand how to keep themselves safe."

Ofsted 2019 (ACHS)

"This school is an inclusive environment where pupils value each other. They respect and celebrate difference. There is a strong sense of community and pupils feel responsible for each other. Pupils spoken to would all challenge bullying if they saw it. Parents and carers and pupils agree that if bullying does occur, it is dealt with effectively by staff. Pupils feel safe and happy here. They are rightly proud of their school. Behaviour is exemplary. Pupils who have previously found school difficult thrive and flourish here. The culture and relationships are exceptional at Whytrig. Both staff and pupils flourish here. School leaders place a high priority on keeping pupils safe." **Ofsted 2021 (WMS)**

About Our Structure and Senior Leadership Team

The Seaton Valley Federation executive leadership team is led by the Executive Headteacher and consists of the Heads of School for Astley Community High School, Whytrig Middle School and Seaton Sluice Middle School, as well as the federation's Business Director. This team focuses on strategic leadership across the federation.

The Astley Community High School senior leadership team is led by the Head of School and consists of an Assistant Headteacher Teaching and Learning/Sixth Form, Assistant Headteacher Curriculum, Assistant Headteacher Behaviour and Attendance, Assistant Headteacher SEND/Disadvantage, and the Business and HR Manager, and is supported by two associate members.

Each senior leadership team works closely together across the federation. This allows for new ideas to be trialled in one school and then shared across the federation. Each member of the senior leadership team also has a focus across the federation.

About the Mathematics Faculty

It gives me great pleasure to introduce you to the Mathematics Faculty. This is a permanent post from September 2024, and you will join a highly focused team of six mathematics teachers who are committed to delivering outstanding lessons.

As a faculty we continue to grow together, developing our own teaching and learning priorities, as well as crafting a consistent approach to essentials such as differentiation, questioning, feedback and stretching the most able. Teamwork and sharing of good practice are essential strategies for understanding and responding to the many changes to the mathematics curriculum.

The students at Astley Community High School enjoy mathematics and there is a high take-up of the subject at post-16 with A levels in Mathematics and Further Maths. Lessons are engaging, challenging and full of pace. Students expect to work hard in lessons and to complete homework regularly. Students also expect regular written and verbal feedback, with built in lesson time for improving the quality of their work. We use a flight path system to ensure that students can have an impact on their own progress. In such a small school it is possible to meet the needs of individual learners.

It is important during the recruitment process that we ensure candidates support this commitment. We will ask all applicants to tell us in confidence about any criminal convictions they have and the successful candidate will also need to obtain an enhanced certificate from the Disclosure and Barring Service (DBS). This does not mean that you cannot work here if you have a criminal conviction as we will take into account factors such as the age of the conviction, its relevance to the job and any mitigating factors before making a decision.

We will also check this information in any references we receive, one of which must be from your current or last employer.
