

## Core RE (including British Values)

### Why study this course?

RE focuses on pupils valuing themselves and others. RE celebrates diversity in society by helping pupils understand similarities and differences. It promotes self-awareness, tolerance, respect, open-mindedness, appreciation and wonder. RE also helps pupils develop key skills such as communication, working with others and problem solving.

### What will you study in this course?

#### Year 9 Core RE

In year 9 students look at three aspects within religion. They examine God and the beliefs about God within Christianity, Sikhism and Islam. The second area of study is founders and leaders. Students examine and compare and contrast the teachings of the founders/leaders of Christianity, Sikhism, Islam and Buddhism. Finally year 9 examine worship, community and lifestyles of Christians, Sikhs, Muslims and Buddhists.

### How the course is assessed?

Students will be formally assessed through the completion of a test in each of the three terms. Students will also be assessed informally through the completion of homework and classwork.
