## YEAR 11 EXAMINATION PREPARATION PACKAGE SUMMER 2022

***“Attitude is a little thing that makes a big difference”.***

***Winston Churchill***

***“Ability is what you're capable of doing. Motivation determines what you do. Attitude determines how well you do it”.***

***Lou Holtz***

***“My attitude is that if you push me towards something that you think is a weakness, then I will turn that perceived weakness into a strength”.***

***Michael Jordan***

February 2022

Dear Parent/Carer

As we approach the February half-term holiday, I am writing to inform you of some key details and interventions for year 11 students, which will prepare them thoroughly for their final examination period which runs from **Tuesday 17<sup>th</sup> May - Thursday 23<sup>rd</sup> June**.

**Please also note that Music recording exams will take place during lessons, the Food Practical Exam is w/c 21 March (exact date TBC) and French speaking exams are on 3rd May.**

The key elements of our **“Examination Preparation Package”** are as follows:

1. **“Revision Crammer days”** - which will take place during February half-term, Easter and Whit half-term holidays for some subjects. Further details are included in this booklet. This is targeted revision, so some students may not be needed at certain sessions.
2. **“After-school revision sessions”** - these will begin **w/c 28th February and continue until Thursday 12<sup>th</sup> May**. Further details included in this booklet. Once again, this is targeted revision, so some students may not be needed at certain sessions and will be informed by subject staff.
3. **“Study Leave package”** - Basically, when the examination period starts on **Tuesday 17<sup>th</sup> May**, students will be in school either in an examination, lesson or revision session until the end of **Friday 10<sup>th</sup> June**. As of **Monday 13<sup>th</sup> June** they will only be expected to attend school if they are sitting an examination or if they are required to attend a revision session that is relevant to a forthcoming examination. Further details are included in this booklet.
4. **Use of assembly time** - After the February half-term holiday, we will be using year 11 assembly time on Thursday mornings to provide students with valuable information in order to prepare well for their examinations. This will include revision and stress management techniques.
5. **Use of other lessons** - After the February half-term holiday, we will also be collapsing some of our usual lessons to provide students with revision opportunities and more information on revision strategies/techniques.
6. **Revision guide ordering information** - included in this pack is a list of revision guides for your son/daughter to purchase. The vast majority of students will have everything that they need, but this is one last opportunity for them to make sure they are fully equipped for the revision process.
7. **Before school revision sessions** - some subjects will continue to run these sessions and students will be notified if they are expected to attend. No formal plan for this as such, but subject teachers have the flexibility to offer these if they wish.

8. **Information on our website** - all our examination related information can be found on our website including supporting materials for students.

Obviously, this is a very important time for all year 11 students. We hope that with your support and our "Examination Preparation Package" students will feel well prepared and confident for the challenges which lie ahead. Can I reinforce at this point that students must attend well, be highly motivated and revise in their own time to improve their chances of greater success.

In addition, the following dates will be of interest to you and your son/daughter.

**Year 11 Leavers Assembly (Main Hall) - Friday 17<sup>th</sup> June 9.00am – 10.30am**

All students are expected to be in school in full school uniform for the presentation of Record of Achievement folders. Students are free to leave after the assembly finishes. Historically a lot of shirt signing takes place at the end of this assembly, could we please ask that it is not done before, for obvious reasons.

**Year 11 Prom – Gosforth Park Racecourse - Friday 17<sup>th</sup> June 7.30pm for 8.00pm – 12.00am**

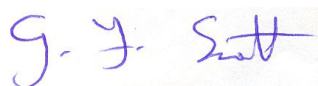

Guests should arrive at approximately 7.30pm, as the meal will be served for 8.00pm. The evening will finish at 12.00 midnight prompt. A reminder to all students that the bar is non-alcoholic (staff and students). We all hope for a successful and enjoyable evening, therefore, any student behaving in an unacceptable manner will be asked to leave, after contact has been made with a parent/carer.

**Year 11 Examinations results day - Thursday 25<sup>th</sup> August.**

All GCSE/BTEC results will be available to collect between 10.00am – 12.00pm on Thursday 25<sup>th</sup> August in the main hall. Any results not collected will be posted out later that day, if a stamped addressed envelope is handed into school prior to **Friday 22<sup>nd</sup> July**.

Finally, could we take this opportunity to thank all parents/carers for their support throughout this and previous years, it is much appreciated. If you do have any questions or queries, please feel free to contact Mr Gilhooley, Mr Carbutt or myself.

Regards

**Graham Scott**  
**Head of School**
