1 Results days

- 1.1 A Level and Level 3 Vocational Qualifications results will be issued to students from 8:00am on Thursday 15 August 2024.
- 1.2 GCSE and Level 1/2 Vocational Qualifications results will be issued to students from 10:00am on Thursday 22 August 2024.
- 1.3 Results should, wherever possible, be collected in person from the school at the times stated above.
- 1.4 In the event that a candidate is unable to collect their results, they should discuss this with the Head of School or Head of Sixth Form and the Examinations Officer, who will arrange the delivery of results to the student via another means.
- 1.5 A candidate can request that their results are posted to their home address by providing a self-addressed envelope and paying the appropriate postage fee (as advised by the Examinations Officer) to have the document tracked.
- 1.6 Results can only be emailed to a candidate who has confirmed their personal email address via their school email account with the Examinations Officer in advance.
- 1.7 Results will not be shared with any other person than authorised by the candidate in writing; this includes parents/carers.
- 1.8 In order for a candidate's Statements of Results to be released to another individual, written consent, which specifically names the individual, must be provided to the Examinations Officer in advance of Results Day. This person will be required to show ID prior to the releasing of results.

2 Enquiries about results

- 2.1 Enquiries about results (EAR) may be requested by centre staff or candidates if there are reasonable grounds for believing there has been an error in marking. The candidate's written consent is required before any EAR is requested.
- 2.2 If a result is queried, the Examinations Officer, teaching staff and Head of Centre will investigate the feasibility of asking for a re-mark at the centre's expense, otherwise the fee is payable by the candidate.
- 2.3 In the event of any dispute, the Head of Centre's decision on a submission of an EAR is final.

3 Access to scripts

- 3.1 After the release of results, candidates may ask the school to request the return of papers. This is at the candidate's own expense.
- 3.2 Centre staff may also request scripts for investigation or for teaching purposes - the written consent of candidates must be obtained and this will be at the subject department's expense.
- 3.3 **Re-marks cannot be applied for once an original script has been returned.**

4 Procedure

- 4.1 Candidates requesting results enquiries and re-marking of their scripts must be aware that their marks, including their overall grade may be lowered as a result of the enquiry.
- 4.2 For this reason, the school, in line with the regulations of the awarding bodies, will require a candidate's written consent before any results enquiry is made.
- 4.3 All candidates wishing to request a results enquiry must follow the procedure outlined below.
- 4.4 The relevant consent forms must be completed and payment received before the Examinations Officer will process a request.

GCE (A or AS) candidates

- 4.5 The candidate (or their parent/carer if this is impossible) should:
- discuss the case with a member of staff at the time of results
 - see the Examinations Officer who will advise on specific cost, assist in completion of the necessary paperwork and submit the request to the appropriate Awarding Body
- 4.6 For Summer A-Level results, there is an accelerated appeals procedure which is used when a university place is at stake (SP2).
- 4.7 Appeals under this service must be submitted **within one week** of the publication of results. Outcomes are usually received within three weeks.

GCSE candidates

- 4.8 The candidate (or their parent/carer if this is impossible) should:
- discuss the case with the subject teacher or Head of Faculty concerned during the first few days of the Autumn Term
 - see the Examinations Officer who will advise on specific cost, assist in the completion of the necessary paperwork and submit the request to the appropriate Awarding Body

6.2 Access to Scripts is available for both A level and GCSE. It is for use when a school wants to see a script to decide whether to ask for a Review of Marking. Those wanting a Priority Review of Marking, however, should not ask for a script photocopy as it will arrive too late to then request a priority review.
