17th February 2022

Dear parents and carers,

To celebrate the Queen's Platinum Jubilee, we are going to create a community garden in the school grounds. We have secured some funding, have had some excellent advice from local volunteers and are now ready to get started.

We are really keen to get children, their families and members of the local community involved in this project and are looking for volunteers who could help, particularly during school hours or at weekends.

We are holding a meeting for anyone interested in helping us with this. We will be able to show you our ideas and if anyone has any ideas/skills/expertise they would be willing to share, it would be very much appreciated.

The meeting will be on Wednesday, March 2nd at 6pm in the school hall.

We are also looking for donations of items such as seeds, compost, plant pots, seed trays etc. If anyone is able to help us with this, please let us know.

The Platinum Jubilee, we feel, is an event of great significance to our cultural heritage and we hope the Jubilee garden will be really special to mark this occasion.

Yours sincerely,

Jayne Cassidy and Karen McSparron
