

PE and Sport Premium Reporting - Seaton Sluice Middle School 2019-20

In the 2019-20 academic year all schools with 17 or more eligible pupils received £16,000 plus £10 per primary aged pupil in the form of PE and Sport Premium funding. Schools must use this funding to make additional and sustainable improvements to the quality of PE and school sport they offer. This document forms part of our statutory reporting whereby we must publish details of how the Primary PE and Sport Premium funding is spent and the effect this has had on pupils' PE and sport participation and attainment. In partnership with the other Seaton Valley first and middle schools in 2019-20, Seaton Sluice Middle School used our allocation of £17,500 of PE and sport premium funding to deliver the vision for PE and sport in Seaton Valley.

Vision for PE and Sport in Seaton Valley: PE and sport at the heart of school life, raising achievement for all young people. High quality PE as a universal entitlement of all pupils which promotes the development of healthy active lifestyles and competitive school sport. This vision is to be achieved through 5 key work strands:

1. Physical education
2. School sport and competition
3. Healthy, active lifestyles
4. Overall achievement
5. Management, administration and reporting

Expenditure

- Management and administration of School Sport Partnership: £3,800
- Contribution to eligible School Games costs: £100
- Showing potential KS2 multiskills academy: £500
- OSHL coaching: £4,960
- Curriculum support: £3,640
- Sports Leaders training: £300
- Rugby league programme: £1,200
- Football Academy (OSHL coaching) £3,000

PHYSICAL EDUCATION

Intent: A high quality physical education programme focussing on developing physical literacy. Professional development opportunities to improve the capacity of teachers / practitioners. Support for the most and least able pupils.

Implementation	Impact	Evidence
<p>Curriculum Support. An additional specialist swimming teacher has been funded to work with Y5 during their afternoon of sport at ACHS. This means that pupils are taught in smaller, ability groups so that differentiated and targeted teaching can occur.</p>	<p>Pupils have developed their fundamental movement skills. Pupils are more confident in PE, and enjoy movement. They are now more likely to engage in other school sport / physical activity opportunities. The most and least able pupils are making better progress. External teachers have been a positive role model for pupils. Pupils have been motivated to raise and achieve their aspirations. Pupils have developed a love of sport and are more likely to develop lifelong participation.</p>	<p>Teacher feedback. Pupil assessment data. Pupil feedback. Pupils talk about their love of PE lessons.</p>
<p>Curriculum Support. Specialist coaches / teachers worked alongside the KS2 class teachers to deliver the games element of the curriculum. This was identified as an area for improvement by the class teachers and has been achieved with a combination of observed lessons and team teaching.</p>	<p>Pupils have access to a broader PE curriculum. The quality of PE has improved. The curriculum reflects pupils' interests and needs. As a result of building skills and confidence, teachers are more able to deliver high quality PE and school sport</p>	<p>Teacher feedback. Lesson observations following the curriculum support demonstrate high quality teaching and learning.</p>

SCHOOL SPORT & COMPETITION

Intent: A broad range of sports and activities offered to all pupils. A programme offering regular club participation opportunities where pupils can learn about specific sports, receive age appropriate coaching and improve their skills. Increased participation in competitive sport.

Implementation	Impact	Evidence
<p>Weekly OSHL sports clubs have been provided free of charge to pupils, led by specialist coaches. Dodgeball, rugby, dance, basketball and gymnastics were offered. Pupils were able to practice and improve their skills, and experience competition in a variety of formats.</p>	<p>Broader experience of a range of sports and activities offered to all pupils. Physical literacy improved which had a positive impact on achievement within PE lessons. Pupils had fun in a school sport setting. Some pupils who have never previously attended sports clubs either at school or in the community were engaged.</p>	<p>Club registers and tracking info. Pupil feedback. Teacher feedback. Incremental increases in pupils' fitness and skills challenge scores.</p>
<p>The football academy was continued for KS2 pupils. Pupils were selected based on their football ability and their school conduct. Pupils receive coaching on two lunchtimes per week and also attend an after school football fitness sessions.</p>	<p>More able pupils are better supported to reach their potential in PE. Sustained good conduct of pupils. Improved environment at lunchtimes as the football is more orderly and purposeful.</p>	<p>Teacher, coach and pupil feedback. Behaviour logs.</p>
<p>PE and sport premium funding has been used to provide pupils with access to competitive sporting events and to make links with community sports clubs. KS2 teams were entered into football, netball, hockey, rugby, and athletics. All School Games competitions had a community exit route. Appropriate competition was considered for all pupils. Carefully selected pupils participated in the shield competitions (development competition) of all competitions</p>	<p>Increased participation in competitive sport. Pupils have an improved understanding of the skills required to be successful. Pupils were exposed to children from other schools and developed confidence and communication skills in working together. Pupils know where they can participate in sport beyond school. They are signposted and supported to engage with community sports providers. Increase in the number of pupils transitioning into regular attendance at community sports clubs .</p>	<p>Competition entries. Teacher and pupil feedback. Attendance data from community sports clubs. Pupil feedback. School Games Mark Platinum Award.</p>
<p>Two KS2 teams were entered into the Cramlington & Seaton Valley Y5/6 basketball competition "Thunder in the Valley". This tournament was played prior to a Newcastle Eagles home match at Sport Central with the final played at half time in front of a crowd of</p>	<p>Through participation in competition pupils developed sportsmanship qualities and have shown determination to succeed as well as reliance in the face of losing. The profile of competition has been raised thanks to the professional setting and crowd. Pupils have a</p>	<p>Photographs. Staff and pupil feedback and evaluation forms.</p>

<p>2000. Approximately 50 tickets were sold to pupils and parents who were able to spectate at both the schools' competition and the Eagles games.</p>	<p>sense of pride in representing the school. have developed sportsmanship qualities and have shown determination to succeed as well as reliance in the face of losing. The profile of competition has been raised thanks to the professional setting and crowd. Pupils have a sense of pride in representing the school.</p>	
--	---	--

HEALTHY, ACTIVE LIFESTYLES		
<p>Intent: A range of appealing opportunities for physical activity which focus on enjoyment and promote wider health and well-being messages. The engagement of all pupils in regular physical activity (aiming for at least 30 minutes a day in school).</p>		
Implementation	Impact	Evidence
Cycling		
<p>A weekly Y5 skipping club although open to all Y5 pupils has been targeted at the least active pupils, with certain pupils identified, invited and encouraged to attend. Skipping is promoted as a fun easy way to be physically active and pupils are encouraged to practise outside of the club.</p>	<p>Pupils have enjoyed what for many was a new experience. This has boosted self esteem and self-confidence. Fewer pupils participate in no school based physical activity outside of PE.</p>	<p>Pupil feedback. Teacher feedback. School Games Mark Platinum Award.</p>
<p>PE and sport premium funding has been used to provide lunchtime sports coaches. In the club pupils have been introduced to a variety of sports including basketball, football and tag rugby.</p>	<p>Increased engagement in regular physical activity. Improvement in pupils' skill and fitness levels. Broader experience of a range of sports and activities offered to all pupils . Approximately 25 children participate each lunchtime.</p>	<p>Coach feedback. School Games Mark Platinum Award.</p>
<p>A 'Morning Mile' club has been established where pupils meet with a member of staff on</p>	<p>All pupils have the opportunity to achieve 30 minutes of daily physical activity within the</p>	<p>Staff and pupil data. Club register.</p>

two mornings a week before school to run a mile.	school day. Staff have reported that these pupils come into school with more energy and have seen increased focus in morning lessons.

OVERALL ACHIEVEMENT		
Intent: The profile of PE and sport being raised across the school as a tool for whole school improvement. Use sport and physical activity to promote pupils' social moral and cultural development.		
Implementation	Impact	Evidence
Selected pupils received training and support to become sports leaders. This covered: The qualities of a good leader; benefits of participating in physical activity (physical and social); how to plan and deliver playground activities; how to ensure safety, and how to support their peers. Sports leaders now deliver daily activity.	Pupils have developed their social skills and have applied these in different contexts e.g. working and socialising with other pupils including those from different religious, ethnic and socio-economic backgrounds. This has contributed to their social, moral and cultural development. The profile of PE and sport has been raised as a tool for whole school improvement. Pupils have developed their leadership , communication and organisational skills. They have demonstrated an understanding of the importance of being committed to a role and fulfilling their responsibilities for the benefit of the whole school community. Sports leaders have been able to resolve conflict on the playground. They are able to recognise right from wrong and have applied the playground rules fairly. This has contributed to their knowledge understanding of British Values.	Teacher and pupil feedback. Lunch time supervisor feedback. Behaviour log. Reduction in the number of incidences of poor behaviour on the playground. School Games Mark Platinum Award.
Seaton Sluice Middle School applied for the School Games Mark and were awarded the Platinum level. This highly prestigious award	The profile of PE and School Sport has been raised.	School Games Mark Platinum Award

<p>reflects the importance placed on PE and sport, as well as the hard work of pupils and staff. To achieve Platinum, schools must demonstrate a commitment to developing PE, sport and competition within school and the community. It also focuses on the number of children participating in 2 hours of PE every week as well as regular extra curricular sporting activities regardless of ability.</p>		
---	--	--

MANAGEMENT, ADMINISTRATION AND REPORTING		
<p>Intent: Schools supported to invest their PE and sport premium funding to obtain maximum benefit to curriculum PE, school sport and physical activity; their pupils and staff.</p>		
Implementation	Impact	Evidence
<p>Astley Community High School have utilised 'community powers' to create a separate budget for the purposes of operating and managing Primary PE and Sports activities on behalf of the two Seaton Valley Federation Middle Schools and the five first schools within the wider Seaton Valley Partnership. School Sport Partnership Manager has designed a bespoke package of delivery and support for each school to best meet individual school needs and objectives.</p>	<p>Seaton Sluice Middle School has a clear vision of the additional and sustainable improvements we are aiming to achieve with PE and sport premium funding. There is a detailed delivery package to achieve these improvements. Seaton Sluice Middle School are strategically planning for ongoing use of PE and sport premium funding focusing this on achieving 30 minutes of daily physical activity for all pupils. As a result, pupils at the school both now and in the future are benefitting from the PE and sport premium funding.</p>	<p>PE and sport premium funding statement and impact document published on school website.</p>
<p>School Sport Partnership Manager has undertaken recruitment, management and vetting of appropriately qualified staff to deliver programmes aimed at achieving the vision for PE and sport in Seaton Valley.</p>	<p>Recruiting staff centrally has achieved better value for money and a broader range of coaches and programmes being accessed. The quality of delivery and therefore the quality of pupils experiences have improved.</p>	<p>PE and sport premium funding statement and impact document published on school website. External Partner agreements, safeguarding records, schools checklists. School Games Mark Platinum Award.</p>

School Sport Partnership Manager has commenced quality assurance of staff and programmes being delivered in Partnership Schools.		
School Sport Partnership Manager has provided a PE and sport premium funding statement and impact report to publish on the school website, fulfilling all statutory requirements.	Seaton Sluice Middle School is meeting our statutory requirement to publish details of the amount of PE and sport premium funding received, a breakdown of how this will be spent, the effect this has on pupils' PE and sport participation and attainment, and how these improvements are sustainable.	PE and sport premium funding statement and impact document published on school website.

SUSTAINABILITY

The activities of Seaton Valley Sports Partnership are focused on using the PE and Sport Premium wherever possible to create sustainable improvements in PE and School Sport across Seaton Valley:

- Upskilling Staff - opportunities to develop staff skills, knowledge and confidence
- Community Links - creating meaningful links between the schools and community clubs, where coaches deliver in schools, or children are taken to the club for School Games competitions
- Health & Well-Being - the development of Sports Leaders, skipping and hula-hooping have increased physical activity in school playgrounds. Schools have the resources necessary, with teachers able to deliver these programmes, creating sustainability for the future
- Partnership working - 8 schools work together, networking and sharing to help the Seaton Valley Sports Partnership programme. Working with Astley High School, creating a sustainable network of support for the schools.

SWIMMING DATA

Schools are required to publish how many pupils within the Year 6 cohort are meeting the national curriculum requirements for swimming and water safety. The figures below reflect swimming assessment data at 17.07.20:

% of Year 6 cohort who can swim competently, confidently and proficiently over a distance of at least 25 metres: **54.40%**

% of Year 6 cohort who can use a range of strokes effectively [for example, front crawl, backstroke and breast-stroke]: **49.30%**

% of Year 6 cohort who can perform safe self-rescue in different water-based situations: **54.40%**

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Has Seaton Sluice Middle School used it in this way? **Yes**
