Remembrance

We will again be supporting Remembrance Day on 11th November with a two minute silence at 11am and a whole school assembly at the end of the day. Children are encouraged to wear their poppies and any children who attend any of the armed forces cadets are welcome to wear their uniforms on the day.

Breakfast Club

Our in school breakfast club opens daily on a morning at 8:20am, where children have the opportunity to buy a warm snack and drink before the start of the school day. Items to purchase are in denominations of 10p to make things easier for handling change, so please ensure your child brings money to purchase items if they use the breakfast club. In the long term we are looking to be able to provide the same facility to purchase items as we do on a lunchtime using the cashless system.

Artist in Residence

We were very pleased to welcome the artist, Jan Szymczuk into our school on Tuesday 9th November to work with Year 8 pupils. Jan spent time talking about his career and life and how he created art as a career. During the sessions he taught them how to draw portraits and caricatures. All of our children were inspired by his visit and some are keen to pursue a career in art; we have lots of budding artists!

Bikeability

We have enjoyed having the bikeability team in school again working with our Key Stage 2 pupils, often in some inclement weather last week. We look forward to our pupils putting in to place all the skills they have learned by either cycling to school or taking part in our Key Stage 2 bike rides later in the year. Well done to everyone who took part.

Children In Need 2021

We will again be supporting Children In Need 2021 with a non uniform day for all of our children. We would welcome any donations that can be given in support of this charity.

Kooth Awareness Sessions

Malcolm Connelly, the senior Kooth engagement lead for the North East and Midlands will be running 2 Kooth Awareness Sessions for parents and carers to highlight what Kooth.com can offer and how it is able to support the mental health and wellbeing of young people on Wednesday 24th November from 1:30 to 2:30pm and on Tuesday 30th November from 10:30 to 11:30am. Hopefully attendance at one of the sessions will give parents and carers the confidence to talk to and support the young people in their lives and signpost them to the support free, safe and anonymous online community that Kooth provides. You can join the sessions by clicking on the following link
