

New York City

Location

New York City is located in the USA and is one of the most popular places people visit. Its population is 8.399 million! Could you find a better place to go?

History

The history of New York begins at around 10,000 B.C. when the first people arrived. By 1100 A.D. two main cultures had become dominant as the Iroquoian and Algonquian developed. European discovery of New York was lead by the Italian Giovanni da verrazzano in 1524 followed by the first land claim in 1609 by the Dutch. Did you know New York City's original name was New Amsterdam?
