

SSMS homework timetable 2024-2025

Homework is set to consolidate the learning that is happening in school or to research future topics. Maths and English set homework on a weekly basis and other subjects listed below set homework from time to time. Students can find details of their homework on Google Classroom by signing in with their school email address and password. If your child is having difficulty completing their homework they should seek help from the subject teacher or attend homework club which runs from 12.15 - 12.45pm Monday, Wednesday and Friday at lunchtime.
