## Year 7 Catch Up Funding 2018-19

The Literacy and Numeracy Catch Up funding provides schools with additional funding to support those children who did not achieve the expected standard at the end of KS2 in English and Maths. It is provided to all state-funded schools with a Y7 cohort.

It is estimated that Seaton Sluice Middle School will receive £2,767 for the academic year 2018-19 based on the amount received last year per pupil who did not attain the expected standard at the end of KS2

The money will be spent on the following:

- Staff training on interventions and approaches which will then be delivered to targeted pupils.
- Extra support being put into lower sets in English and Maths to facilitate small group learning.
- Delivery of bespoke interventions such as Toe-by-Toe and ReadWriteInc
- Extra-curricular experiences to engage and motivate pupils.
