Teacher of Science - 2 Posts

Full-Time, Permanent / 0.4 FTE, Permanent
Main/Upper Pay Ranges: £25,714 to £41,604

Small enough to care, big enough to make a positive impact

As a 13-18 school in south east Northumberland with good standards of teaching and behaviour, we believe passionately that every student should be enabled to succeed in all aspects of school life.

Joining a dedicated team of Science specialists, you will focus on the delivery of Biology and/or Physics from Year 9 to 11 therefore some experience of teaching across science is preferable. The role is suitable for either an ECT or a more experienced teacher.

With a strong sense of purpose and drive to improve student attainment and progress, we will support you to further develop your career and professional practice. Up-to-date knowledge of current GCSE specifications and the practical activities would be preferred.

Although this post is primarily to teach at Astley Community High School, you may be required to teach at Whytrig Middle School and Seaton Sluice Middle School, as the schools work together in the federation. We are recruiting for 1.4 FTE, this can be 1 full time position and 0.4 FTE position or similar depending on applicants.

We are about to embark on a new chapter as plans for new school buildings have been announced by Northumberland County Council, this will provide fantastic opportunities for teaching within the Science faculty.

If you have a passion for education then this is a fantastic opportunity to make a significant contribution to the federation and become an integral part of our future success. Our candidate information pack will tell you much more about this opportunity. Visits to the school are warmly welcomed and encouraged, please call Angela Small on 0191 2371505 to arrange.

We are committed to safeguarding and promoting the welfare of children and young people. It is essential that all staff and volunteers share this commitment. An enhanced criminal records check from the Disclosure and Barring Service is required for all posts

Interested in applying? A completed application form must be submitted **by 9am on Monday 13th June 2022 by e-mail to vacancies@svf.org.uk**

It is expected that interviews will be held Monday 20th June 2022.

Further information about all of our current vacancies is available at: <http://www.svf.org.uk/vacancies>
