## Updated Safeguarding Information for Parents - 12th March 2024

### Your How To Guide to Snapchat

A recent report reveals that Snapchat was flagged in nearly half of CSA imagery crimes reported to the police in the past seven years. You can learn more on this in our latest safeguarding news section below.

### **But how much do you know about streaks, meets and snaps?**

This shareable, [Your How to Guide to Snapchat Features](#) is a valuable resource dedicated to enhance your understanding of this platform's features along with some top tips.
