Updated Safeguarding Information for Parents - 7th October 2024

New Instagram Safety Settings

Did you know, Instagram announced new safety settings for teenage users? Parents and carers will now have more control over how their under 18s use the platform, including interactions with other users and exposure to potentially harmful content. The link below provides more information.

Friendship Book and Resource Pack

The Friendship Book and Resource Pack from Ineqe Safeguarding Group is designed to help parents, carers and safeguarding professionals plant seeds of safety in young minds. It includes worksheets, colouring pages and an animated version of the story with discussion questions.

Additionally, there is an interactive quiz that works equally well as an independent informal assessment or as a fun team activity that brings online safety lessons to life in a creative and engaging way.
