LUNCH MENU - WEEK 3

[School Meals Menu](#)

Lunch Account Balance

Please check your child's lunch account balance, and top up as necessary.

We will never allow your child to go hungry, and should they not have enough money on their account then we will ensure they are able to buy a Main Meal Deal by granting them a temporary overdraft for that day of £2.40. You will then receive a message via MCAS advising you that you need to top up their account.

This temporary overdraft facility will not be extended for additional days and should your child not have enough funds in their account the following day they will only be provided with a basic sandwich and drink. Our expectation is that you will top their account up immediately so they have a positive balance again.

Lost Property

Please ask your children to check lost property in the next week and take home any items that belong to them. There is a huge range of coats, uniform, trainers, water bottles, packed lunch boxes and pencil cases.

At the end of term **ALL** lost property will either be donated to charity or unfortunately thrown away.

After-School Clubs in this Half-Term

Please note that there are NO Sports clubs in the final week of term

MCAS Contact Details

Please remember to double check that your details are correct on MCAS. When you make a change in My Child At School, it updates the systems that we use to contact home. This also means that we don't make a mistake in the spelling of an email address or taking down a number incorrectly.
