

WHYTRIG MIDDLE SCHOOL NEWSDROP

Week Ending 12th September 2025

First Full Week

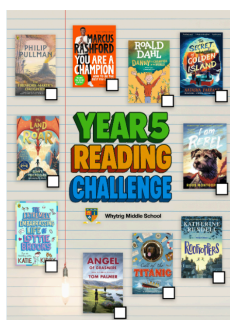

At the end of our first full week at Prospect Avenue, we'd like to say a huge thank you to all our pupils and parents for your patience and support. Settling into a new building and new routines is no small task, but everyone's positive attitude and flexibility have helped make the transition a smooth one. We're proud of how well the school community has adapted, and we're excited for all that lies ahead in our new home.

Reading Challenge

This week, we successfully launched our reading challenge. It has been wonderful to see so many pupils engaging with the books, we have even had some pupils move on to their second book!!

Due to the move to Prospect Avenue, we do not have all of our IT systems fully up and running yet. This, unfortunately, means that Accelerated Reader can not yet be used to quiz on the books read. We are hoping to rectify that next week. Further information will be sent home once it is fully functional.

To help us ensure that all pupils are reading everyday, please could you continue to read with your child at home, sign your child's diary when they have read their book and ensure that the reading challenge book is brought back to school everyday.

Breakfast Club

Breakfast Club runs from 8:00am each morning for children who have been signed up for it. Children should enter the school through the main reception door, where they will be taken to the breakfast club room in room G07, which is very close to the main reception and staff by Mrs Robson and Ms Gales. Children are able to have their breakfasts with a selection of food available.

We do however also provide a free bagel to any child in school on a morning who would like one, once the general population have entered our site from 8:30am!

Stars of the Week

Our Stars of the Week are nominated each week by staff for a variety of reasons, which might be contribution to the school community, school work or something outstanding. Each week their success is shared in school in the Star of the Week video and they receive a certificate and chocolate bar.

Week ending 12/09/25:

5C: Ella W; 5K: AJ A; 5L: Emily L;
6E: Penny K; 6F: Denny T; 6S: Kayden B;
7H: Emmie M; 7L Ariana A; 7W: Lucy M;
8K: Layla O; 8Ro: TJ A-C; 8Ru: Mason O;
Head of School SOTW: Charlotte W (8K) and Lewis J (8Ru).

Safety Outside Our School

Double parking puts our children at risk. When double parking occurs around schools, it makes it harder to see children and those who might be on wheels (buggies, cycles, wheelchairs etc).

As a driver you have a responsibility to park in a safe and considerate manner.

Park with care and help make the area near and around our school a safer place for everyone.

Fewer cars at the school entrance will help make it safer for everyone

What you could do instead....

✓ Try walking, cycling or scooting – even if its just one day a week it can make a big difference

Walking, cycling or scooting to school contributes to the recommended daily physical exercise for you and your children.

It also helps to **reduce congestion** around school and **improves air quality**.

Road Safety

The safety of all children attending our school is our main priority. If your child is making their own way to and from school, please reinforce with them at home, as we will in school, to take care on their daily journeys. Astley Road is a very busy road. There are 3 traffic light crossings placed along this road near the school, including the brand new one opposite the new cafe on the corner of Prospect Avenue. Children are expected to use these traffic light crossings to cross the road. They must wait for the lights to turn red and then cross the road after checking it is safe to do so.

We actively encourage children to walk, cycle or scoot to school. Children who travel to school on bikes must ensure that they ride in a safe manner. This includes not riding in the middle of roads and pulling wheelies. When they come on to the school site they must dismount and push their bikes on our site, around the sports block and to the cycle store nearest our school. Pupils must also push their bikes/scooters off the school site at the end of the school day. Children have been told that they should not be riding out of school on the road in the turning circle because of the one way system in place. Please support school and your child's safety by reaffirming these expectations at home.

Mental Health News

The Be You Mental Health Support Team (MHST) is now working in schools across Seaton Valley and Cramlington. Be You is a partnership between the NHS and Northumberland County Council. Since 2019 they have worked with schools to help build a positive, practical approach to supporting children and young people's mental health and wellbeing.

The Wave 11 launch events for families will take place on 18th September between 9:00am and 3:00pm in Cramlington Library. Here you will be able to meet members of the team.

Be You offer targeted support for young people such as:

- 1:1 support for mild to moderate mental health concerns.
- clear, evidence based assessments and planning.

We have sent out the Wave 11 Launch Parent Edition leaflet to all parents and carers today to give you a little more information about the service and the team involved.

Job of the Week

This week's Job of the Week is Youth Worker. The video can be found in Google Classroom and also [here](#).

We encourage you to watch the Job of the Week with your children so you can take part in the discussions we are having in school about future education and work.

If any parents or carers would like to get involved in our Careers provision at Whytrig please contact Mrs Campbell at wms@svf.org.uk

Attendance

Please remember to call in to the Middle School attendance line or send a message via MCAS if your child is unwell and will not be attending school by 8:30am. It is important that we have evidence for each day your child is absent, even if they were sent home the previous day.

Please also send evidence of medical/dental appointments/medication to wms@svf.org.uk so we can attach these to your child's profile on our system.

If you are submitting a Leave of Absence request please ensure any documentation supporting the exceptional circumstances is handed in at the same time as the Leave of Absence form.

This week's whole school attendance (YTD): 96.4%

Year 5	Year 6	Year 7	Year 8
99.4%	94.6%	96.5%	95.3%

Current best attending classes are: 5K, 5L and 7L with 100%

Lunch Account Balance

Please check your child's lunch account balance, and top up as necessary.

We will never allow your child to go hungry, and should they not have enough money on their account then we will ensure they are able to buy a Main Meal Deal by granting them a temporary overdraft for that day of £2.60. You will then receive a message via MCAS advising you that you need to top up their account.

This temporary overdraft facility will not be extended for additional days and should your child not have enough funds in their account the following day they will only be provided with a basic sandwich and drink. Our expectation is that you will top their account up immediately so they have a positive balance again.

Labelling Uniform and Belongings

All items of clothing, bags and water bottles etc. should have your child's name in them. This helps us return 'lost property' to their rightful owner. By the end of each term, we have a large quantity of items that have lost their owner and are then donated to charity or unfortunately thrown away.

MCAS Contact Details

Please remember to double check that your details are correct on MCAS. When you make a change in My Child At School, it updates the systems that we use to contact home. This also means that we don't make a mistake in the spelling of an email address or taking down a number incorrectly.
