## Notices - Week Beginning 11th December 2023

### Christmas Fair

Thank you to everyone who created / gave / purchased items at this year's Christmas Fair. We raised an incredible £1039.72 for our School Fund!

### Internet Safety Advice for Adults and Children

The internet can be an amazing place, with an extensive amount of information and resources as well as many things that can take our interest. However it can also be full of dangers for children, particularly those who are vulnerable, if their use of it is not controlled or monitored. There are a number of useful websites that parents and carers can access to help tackle e-safety issues with their child(ren), links to which can be found on our website at <https://www.svf.org.uk/our-federation/safeguarding/keeping-safe-online>. One of the best resources is [internetmatters.org](http://internetmatters.org) which has lots of information around how we can all support children's online safety. They have produced a number of helpful information sheets that can be downloaded. Please visit the links below for more information
