Whytrig Middle School

Careers Information for Employers

At Whytrig Middle School, we recognise the valuable impact that businesses and employers play in enhancing the wider personal development of our pupils. Research shows that young people who experience meaningful interactions with employers throughout their school journey are far less likely to become NEET (Not in Education, Employment or Training). The diverse network of employers across the North East has the power to inspire, motivate, and broaden the aspirations of the next generation.

Could Your Organisation Support Our Careers Programme?

If your answer is yes, you may be able to support us in one or more of the following ways:

- Creating tailored workshop sessions for our pupils within the school day. These could include themed talks, project-based activities, or workshops.

- Delivering assemblies/talks throughout the year or during National Careers Week in March.Encouraging employees or apprentices to share their career journeys and insights with our pupils.

- Encouraging employees or apprentices to share their career journeys and insights with our pupils.

- Contributing to our extracurricular offer, either at lunchtime or after school

- Supporting a group of children to visit your workplace

If you or your organisation would like to get involved in our careers programme, please contact Helen Campbell (Assistant Headteacher - Curriculum) at **wms@svf.org.uk**
