

Whytrig Middle School: Careers Vision and Summary

At Whytrig Middle School, we are dedicated to helping pupils explore the exciting world of work and prepare pupils for their future. Our program is designed to inspire students in Years 5-8 to think about their future careers, develop the skills and knowledge they need to succeed and to ensure they can make informed decisions about their futures.

As well as the key events, experiences and learning outlined below, we support pupils understanding of the world of work and develop their employability skills during curriculum lessons by linking learning to future careers and creating opportunities for pupils to use and develop their employability skills.
