

## Y7 HISTORY: MEDIEVAL REALMS

### CASTLES

**TASK 1:** Neatly label the drawing of a castle you have been given. (If you were not in school when these were given out, then draw a castle and label the different parts.)

**TASK 2:** Research the following methods for attacking a castle. Draw a diagram of each method, and next to it, write a description of the device: cat, battering ram, mangonel, belfry, buttress, ballista, sappers, siege tower, trebuchet

Explain fully which method you would use to attack and why

**TASK 2:** Research, and write a description of the following methods for defending a castle: murder holes, portcullis, concentric castles, moat, barbican, drawbridge, machicolations, embrasure, murder holes
