Our Ref : FG/Year9DTP/MeningitisACWYvaccinations/02.2021

27th January 2021

Dear Parents/Carers,

The school immunisation team have been instructed by Public Health England to utilise sports facilities within school as a venue to administer to all year 9 students their DTP / Meningitis ACWY vaccinations. The school is supporting the immunisation team to allow our year 9 students to receive this very important vaccination.

The date which the vaccinations will be administered is Tuesday 23rd February 2021.

This will run almost like a clinic with students being offered appointment times to avoid overcrowding. Students will have to attend with an adult, they will have their vaccination followed by a short observation period then leave.

Consent forms need to be signed by a parent or legal guardian, students do not need to attend the session with the same person who signs the consent. Please ensure that the enclosed consent form is signed and brought to school on this day, it should be handed to the nurses.

On arrival for your child's time slot, please head to the sports hall, the side door will be open, this is the door in our car park. Please ensure that both your child and the accompanying adult wear face masks and sanitise hands on both arrival and leaving the sports hall, hand sanitiser is available in the sport's hall entrance. Can I please ask that you maintain a 2 metre distance from other students and adults that may be there at the same time.

The following time slots have been allocated depending which form class your child is in, it is imperative that you only come in your time slot.

9A - 9.30 - 10.00

9E - 10.15 - 10.45

9L - 11.00 - 11.30

9S - 11.45 - 12.15

9T - 12.30 - 1.00

If you have any questions or queries please do not hesitate in contacting me via email, francesca.gannon@achs.svf.org.uk

Yours Sincerely

Miss F Gannon
SPL year 9
