

Sports Premium Plan 2022-2023

Allocated Funding 2021-2022: £16,980 Key indicator 1: The engagement of all pupils in regular physical activity, embedding physical activity into the school day						
An offer of a variety of extracurricular physical activities result in a greater number of children attending clubs and, as a result, more children will be physically active and impact positively on child obesity rates and on wellbeing.	The school employs qualified sports coaches to deliver extra-curricular activities 2 evenings week. Sport Focus to change for 1 of the club each term Money to be used to subsidise the cost of extra-curricular clubs offered by sports coaches so that they are free for pupils to attend. Pupils who are in receipt of the Pupil Premium grant or for whom have SEND as an additional need will be given priority allocation.	£2,500	It is the intention that providing extracurricular clubs that pupils in receipt of the Pupil Premium are prioritised for leads to a sustained increase in the number of disadvantaged pupils accessing free sports clubs over time. It is the intention of offering free sports clubs to all that more children sustain an interest in extracurricular sport and benefit from more physical activity.			
All pupils will regularly take part in physical exercise, whether this be during social time or ring-fenced time, in turn increasing their levels of	Maintain and develop EY equipment to develop gross motor skills Invest in outdoor age-appropriate	£1490 £1490	All pupils will regularly take part in physical exercise, whether this be during social time or ring-fenced time, in turn
