23rd February 2026

To all parents and carers at:

Frome College
Oakfield Academy
Selwood Academy
Critchill School
Trinity First School

Dear Parents and Carers.

I am writing to update you on the Somerset LA led public consultation regarding two tier and three tier education systems in Frome. The consultation and proposal documents are now live and are available through the [Citizen Hub](#). Alternatively, a copy of the proposal document is published on the [MNSP website](#). In addition, there will be two face-to-face events if anyone in the Frome Community would like to discuss the consultation further (details can be found on the [Citizen Hub](#)). These will be led by Somerset Local Authority.

The proposals that are being put forward have been formulated following extensive discussions between key education stakeholders in the town, including Trust CEOs, Headteachers, the LA, the Diocese and the Department for Education. As I mentioned in my letter to you back in December, these discussions have been thoughtful, collaborative and rooted in our commitment to providing the very best opportunities for all children in Frome.

The consultation does propose changes, which will have an impact on all schools in Frome. I would urge as many people as possible to engage with the consultation process as this will be your opportunity to help shape the future direction of education structures in Frome.

Once the consultation process is complete, feedback will be considered by education leaders and other stakeholders.

Thank you all for your continued support.

Yours faithfully,

Alun Williams
CEO
