

ANIMALS INCLUDING HUMANS	Pupil RAG	
	Before	After
To be emerging I must show...		
I can recognise differences between the stages of human development		
To be developing I must show...		
I can state the main stages of human development		
I can give some changes that happen at each stage of the human life cycle		
To be secure I must show...		
I can describe the changes as humans develop into old age		
I can give ways of how to keep healthy during old age		
To be mastering I must show...		
I can describe the changes as humans develop into old age		
I can link lifestyle choices to what the body needs as it changes
