

June 2021

Dear Parent/Carer

Parent Consultation on the Relationships for Learning Policy at Selwood Academy.

As a successful Academy, we are implementing an important change building upon the strength of our school in allowing all our community to “let their light shine before others”. This comes from the very positive relationships that exist between staff and pupils. All members of the Selwood community work to create a respectful, safe and supportive atmosphere through the shared values of Wisdom, hope, community and joy.

We will be moving from a Behaviour for Learning Policy to a Relationships for Learning Policy. This puts the importance of relationships for supporting the pupils skills for learning, emotional wellbeing, resilience, preventing harm and resolving conflict at the forefront of what we do.

It will inform our approach to practice at all levels and will best achieved when all members of our school community – pupils, parents, trustees, non-teaching and teaching staff – feel involved, supported and cooperate with each other.

We would like to provide an opportunity for parents and carers to gain a better understanding of this significant change. An opportunity for this will be on **Tuesday 22 June 2021 at 5.00pm**. We aim to do this as a face to face meeting and will take place in the main hall.

If you **wish to attend** could you **please notify the school by telephoning reception by Friday 18 June 2021**. This will enable us to have clear idea of numbers and can ensure school Covid related risk assessments can be adhered and the safety of given the utmost consideration.

If you are unable to attend but have any questions in this regard please do not hesitate to contact the school in the usual way.

Yours sincerely

Mr D Jeffries
