

**July 2023**

Dear Parent/Carer

**Advanced Notice: Year 5 Mendip Adventure Days 4, 5 or 6 October 2023**

As part of the Physical Education Outdoor and adventurous activity programme, we intend to take each Year 5 tutor group for an adventure day on the Mendip Hills. The exact day your child will be taking part will be shared with you in early September 2023.

Children can look forward to an exciting day of team building activities and caving in the Burrington Combe area of the Mendip Hills.

Final information regarding the trip will be sent in early September, however, some useful preliminary details are included below.

**Timings**

Exact timings will be confirmed in early September, however, in the past we have departed at the beginning of the school day and returned at approximately 5pm.

**Cost**

The likely cost of the trip including travel by coach is £49. The Academy have subsidised this cost to ensure it is as affordable as possible. Whilst it is a voluntary contribution, if sufficient contributions towards the trip are not received the trips will sadly be cancelled. Details of how to pay will be shared in September.

**Kit list**

A kit list is provided below. We hope by providing this much notice, parents should be able to borrow kit where required from friends and family.

**Insurance**

The Academy purchases insurance which provides a basic level of cover for children and staff. Parents are advised to purchase their own personal accident or illness insurance if they require additional cover.

My colleagues and I are looking forward to the trip and are sure that everyone will enjoy the experience.

Yours sincerely

**Mr Stuart Hershbein**
